CHURCH

LIGHTING THE CHRIST CANDLE

CALL TO WORSHIP

Grace be unto you and peace, from God our Father, and our Lord  
Jesus Christ.

**The souls of the righteous are in the hand of God. Their  
bodies are buried in peace; but their names liveth for  
evermore.**

At the eleventh hour of the eleventh day of the eleventh month, time stands still for a moment; and we remember those who died, not for war, but for a world that would be free and at peace.

**Today, Remembrance Sunday, in this sacred space, we remember them.**

‘In Flanders Fields’            Brian Arsenault            Speedside  
   Pat Weir                    Barrie Hill

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.  
Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

## Minute for Missions

# A Second Chance

*Without the support that I regularly get here, I don't know where I'd be."*

Published On: October 22, 2021 (<https://united-church.ca/stories/second-chance>)

According to the Canadian Mental Health Association, one in five Canadians experience mental health problems. Your Mission & Service gifts help. In his own words, Chance shares how the mental health support he received through the Bissell Centre—an organization supported through your Mission & Service gifts—helped him change his life.

"My name is Chance. I'm 25 years old and live at Hope Terrace, a permanent supportive home that is run by the Bissell Centre. I have Fetal Alcohol Spectrum Disorder—a type of brain injury with no cure—so I need help with things like coping with my emotions, keeping appointments, and cooking.

"Before I moved into the Hope Terrace residence, life was frustrating and stressful. I used to live at my grandmother's house, along with my mom and four other family members. When everyone was home it was chaos, which made it even harder to manage my emotions—even happy emotions were too much at times.

"Mom and I knew I needed help, but we didn't have money and we didn't know where to start. So, a few years ago, I tagged along with my friend to Bissell Centre's Easter meal. He was getting help from Bissell and seemed to like it enough. Maybe I could get help too?

"It was at that very meal that I first heard about Bissell's mental health resources and the Hope Terrace house.

"When I was invited to move into Hope Terrace a few months later, Mom and I both agreed it would be a good decision. I finally felt some hope. Maybe life doesn't have to be so hard all the time? Maybe I could have a better life?

"The staff here help me with the things that overwhelm me most—like budgeting, cooking, and dealing with my emotions. They are awesome! They're really good, kind people—they're my family.

"Without the support that I regularly get here, I don't know where I'd be."
